

The following handover ceremony was held on the 24th of December, 2015 within the framework of the Grassroots and Human Security Grant Assistance Programme with participation of the Ambassador Mr. Takahashi and the Governmer of Balaken Region, Mr. Rzayev.

The Project for Improvement of Waste Management System in Balaken Region

In order to reduce the negative impact on the environment and to improve the living conditions, the project constructed a waste management center in Balaken city. As a result of the project, the adequate treatment system of refuse and efficient recycling system were established in Balaken city. The total amount of the Japanese Grant Assistance for this project is USD 94,111.
