

The following handover ceremony was held on the 25th of December, 2015 within the framework of the Grassroots and Human Security Grant Assistance Programme with participation of the Ambassador Mr. Takahashi and the Governor of Gadabey Region, Mr. Yediyarov.

The Project for Construction of Water Supply System in Soyudlu Village of Gadabey Region

In order to improve the access to the potable water for the residents of Soyudlu villages, the project constructed a new water supply system in the village. As a result of the project, the villagers have gained the access to the safe potable water and improved their living condition. The total amount of the Japanese Grant Assistance for the said project is **USD 90,900**.
