

The following handover ceremony was held on the 13th of July, 2015 within the framework of the “Grant Assistance for Cultural Grassroots Projects” with participation of the Ambassador Mr. Takahashi and the Deputy of the Ganja Regional Executive Committee, Mr. Hamzayev.

The Project for Improvement of Sports Center in Ganja City

The project renovated the aging sport centre in Ganja city. It is expected that the project will promote sports culture among the youth in the western part of Azerbaijan and will contribute to the sound growth of juveniles in the society. The total amount of the Japanese Grant Assistance for the said project is USD 103,087.
