

The following Signing Ceremony was held on the 6th of February within the framework of the “Grant Assistance for Cultural Grassroots Projects” with participation of the First Deputy of the Ganja Regional Executive Committee, Mikayil Zeynalov, at the office of the Ganja Regional Executive Committee.

The Project for Improvement of Sports Center in Ganja City

The project aims to renovate the aging sport centre in Ganja city and to promote sports culture among the youth in the western part of Azerbaijan. It is expected that the project will also contribute to the sound growth of juveniles in the society. The total amount of the Japanese Grant Assistance for the said project is USD 103,087.

Signing Ceremony

Press Interview

Currently, the sport center in Ganja is not functioning well.

The renovation of the sports center will be completed by the project during the summer months this year.
