

The following Signing Ceremony was held on the 3rd February within the framework of the “Grassroots and Human Security Grant Assistance Programme” with participation of the first deputy of the Yardymly Regional Executive Committee, Azer Khamiyev, at the Embassy of Japan in Baku.

Construction of Medical Point in Hamarkend Village of Yardimli Region

The project aims to construct a new medical point in Hamarkend village in order to improve the quality of the medical services for the residents of five villages (Zengaran, Abasabad, Solqard, Anzov, and Osnagaran) located around the new medical point. It is expected that more than 6,200 residents will benefit from the new medical point. The total amount of the Japanese Grant Assistance for the said project is USD 103,062.

Signing Ceremony

**Current Hamarkend Medical Point is not functioning well.
The new medical, which is fully equipped, will be constructed by the project.**
