

The following handover ceremony was held on the 9th of July, 2015 within the framework of the Grassroots and Human Security Grant Assistance Programme with participation of the Ambassador Mr. Takahashi and the Governor of Masally Region, Mr. Huseynov.

The Project for Improvement of Waste Management System in Masally Region

In order to reduce the negative impact on the environment and to improve the living conditions, the project constructed a waste management center in Masally city. As a result of the project, the adequate treatment system of refuse and efficient recycling system were established in Masally city. The total amount of the Japanese Grant Assistance for this project is USD 101,551.
